Deputy Head Teacher: Joe Emissah

Friday 7th June 2024

Dear Parents / Carers,

Update Letter

Welcome back! It seems hard to believe that we have reached the last term of the academic year. The start to this term has been hugely busy having launched straight into our whole school sports week, which has been a pleasure with such great weather. With the launch of the Olympic Spirit Project, it was wonderful to see each class represent their country and celebrate their success over a range of events. Reception and Year 6 children have also begun their outdoor learning sessions at the school field, which is just one of the exciting experiences and opportunities that will be taking place in the coming weeks. It has also been a busy week of extra-curricular sport, with a team of Year 5 and 6 children attending a cricket tournament organised by Gloucestershire Cricket Club as well as Year 5 and 6 pupils taking part in the North Bristol athletics competition. We also want to wish good luck to all those who are travelling to Sheffield to compete in the national finals of the English Schools Swimming Championships next weekend.

We are greatly appreciative of the many parents and carers who have been able to come into visit classes to discuss the world of work as part of our New Horizons topic. This has been a very rewarding theme for the term, with children expanding their knowledge and understanding about the many types of work undertaken by people in our community. For some, the experience of these visits will inspire an interest and passion that will shape their professional life well into the future! Thank you to everyone who has supported us in this.

Thank you to all of those who have volunteered to play a role in running the PTFA Summer Fair next weekend, 15th June. This is always a great school community occasions and we are look forward to seeing many of you there.

General reminders:

- Lost property is stored under the shelter, between the Grant and Boat playgrounds. You are free to check these boxes every day at drop off and pick-up. All named items are returned where possible, to the relevant pupil. We urge you to name every item that comes into school from water bottles to shoes.

- For those who come to school by car, please park legally and safely and avoid leaving your engine idling as this is harmful for those walking to school.
- Please do not allow your children to ride or scoot on the playground and do not bring dogs on site.

Thank you for your ongoing support.

Yours sincerely,

Joe Emissah
Deputy Head
